## Inspection and Maintenance Program

### for Secure Care Products

Do you need  
compliance for state  
survey, confidence,  
and peace of mind?

ProCare Medical provides inspections and certifications to confirm a fully-functional elopement control and wander management system. From annual to semi-annual options, our technicians will certify your system and provide written documentation for your file and use.

**Inspection and testing of components including: locks, keypads, contacts, monitors, antennas and more.**

#### CUSTOMER BENEFITS

- Safety of residents
- Reduce emergency service calls
- Limited liability and risk
- Survey compliance
- Peace of mind

**NEXT STEPS: Contact a technician or the office to receive a proposal for your facility. Information needed:**

- Number of doors
- How often should we inspect (quarter, semi-annual, annual)

**ProCare Medical Company**, 759 Flory Mill Road, Lancaster PA 17601  
Ph:855-528-0421 | [www.procare-medical.com](http://www.procare-medical.com) | Fx: 877-528-0421

*ProCare Medical Company acquired Hickory Healthcare summer of 2018, and is pleased to be supporting all healthcare and security customers.*
