## **CLASSIC Shampoo / Body Wash**

Specially Formulated For Use In Whirlpool Bathing Systems

- **Mild To Sensitive Geriatric Skin & Eyes**
  - Minimizes potential skin irritations.
- **Contains Multiple Skin / Hair Conditioners**
  - Additives such as aloe vera and lanolin help leave skin smooth and supple; hair soft and manageable.
- **Controlled Viscosity**
  - Designed to meter properly through automatic dispensing systems found on all major brands of equipment.
- **Will Not Generate Foam Problems With Whirlpools**
  - The soap-free liquid easily rinses clean, leaving no residue on the whirlpool equipment.

## **CLASSIC Whirlpool Disinfectant / Cleaner**

The Standard To Which All Others Are Compared

- **Designed, Tested & EPA Registered Specifically For Whirlpool Systems**
  - Granted 510(k) pre-market clearance by FDA for use on medical devices.
- **Effective Simultaneously In Hard Water & 5% Serum**
  - One-step formula saves time and labor without compromising effectiveness.
- **Proven Effective Against Major Pathogens Such As HIV-1 and MRSA**
  - Broad Spectrum activity demonstrated against representative Gram - and Gram + bacteria, fungi and viruses.
- **Guaranteed Compatible With Whirlpool Bathing and Dispensing**
  - Will not harm whirlpool surfaces. Compatibility testing and 20 years of history in the field confirm Classic will safely clean and disinfect.

## **CLASSIC Bath Additive / Skin Conditioner**

Products You Know From a Name You Can Trust

- **Forms A Complete Stable Emulsion**
  - Disperses completely in bath water, forming an oil-in-water emulsion for effective conditioning and thorough cleaning.
- **Contains Aloe Vera & Lanolin Oil**
  - Help soften skin and retard moisture evaporation - can actually decrease the need for supplemental skin care.
- **Softens And Smoothes Dry, Flaky Skin**
  - Helps keep the delicate keratin layer of the skin healthy, elastic and pliable.
- **No Greasy Or Oily Residue**
  - Skin is left silky and soft - never "slippery".
  - Equipment rinses clean completely and easily.
